The Return of Jesus Course

Lesson 8 - When Will He Come?

For today's activity:

1. Why not think again about the parable of the fig tree.

- First, thank the Lord Jesus for loving you so much to share with YOU signs that point to His return. Write your prayer below:

-
-
-
- Ask Him to give YOU eyes to SEE the signs, whenever they come.

2. Then draw a picture of a fig tree with tiny shoots on its branches and small, baby leaves. What season is near?

3. Remember it will be just like that with the signs Jesus gave us. When we see THOSE signs, what season will be near?
