Rap it: Make up your own rhythmic rap for the verse, then check the box on the right. Rapping the verse means that you simply speak the words in your own rhythm; you can even use a little melody.

Play it: Play the verse on your instrument. Make up your own chords and play it as though Jesus was right there listening, then check the box on the right.

Meditate on it: Ask the Lord questions about the verse. Talk to Him and listen to Him until you hear something from His heart. You will record what He shows you (below).

Journal: Here is what the Lord showed me while meditating (you can draw a picture, write some sentences or both!)

Draw it: Draw a picture to illustrate the verse here:

A large, empty rectangular box intended for a drawing that illustrates the verse.
