

# CHILDREN OF PRAYER BIBLE SCHOOL ACTIVITY SHEET

Course Name: The Word of God

Lesson: 4 Treasure, Living & True

## Instructions

The word of God is like a giant doorway which opens to a room filled with more treasure than all the people could use in a lifetime! Use your God-given imagination and picture these amazing thoughts:

IMAGINE the doorway. Imagine the room and what it contains! Treasure to heal your heart. Treasure to give you freedom. Treasure to fill you with love. MORE treasure to help you learn or play or be a good friend, or obey your parents. Treasure to comfort you. Treasure to feed you on the inside. Treasure to help you to hear God's voice. Treasure to give you strength. Treasure to fill you with joy! And this treasure lasts forever!

Imagine that the door is locked and THESE lessons on the word of God will give YOU a KEY to open the door. Once the door is opened you can go THROUGH the doorway and go ON discovering the treasure God prepared for YOU – IN HIS WORD - for the rest of your life!!

Why not draw a picture if you are younger, or write a story (you can use the back of this page) if you are older, about what you have imagined. I will put these instructions on the website below this video

Check the box on the right to show you have prayed the verse.
