COURSE TITLE:

All About the Bible

LESSON NO: 7 part 2

LESSON TITLE:

What is God's Word Like?

ACTIVITY

Here is our ACTIVITY for lesson 7: Take one of the Scriptures from this video that tell you what God's word is like.

1. **Read the verse.** Remember you can read it in different ways: aloud to yourself, silently, to a friend, brother or sister.

You can read it in rhythm or take turns with another friend. You could even sing it.

Don't rush – take your time almost as though you were enjoying the unique flavor of each word!

2. **PRAY** and thank God, ask questions and thank Him that this is what His word is like.
3. **Ask the Lord to show you more.** Ask Him to help you better understand. Ask Him questions, like:

"Lord, HOW is your word eternal, (or, like a lamp)?"

Wait a little in prayer until you see, or hear or feel some extra understanding from God the Holy Spirit.

4. **Make a poster and write about** what God showed you to illustrate what God's word is like and especially what He showed you. If you are older, try to also write 2 or 3 sentences to describe your picture and what God showed you.
