The Return of Jesus Course

Lesson 7 - The Revelation of Jesus

For today's activity:

1. Look through the first chapter of Revelation and FIND Jesus.
 - Draw what He looks like.
 - Write down the names He is given.
2. Pray to Him using those names, a different one each day; here are some names and a little explanation of what they mean, now you pray.

Alpha – this means that Jesus is the Beginning. He WAS before there ever was any human being. Jesus ALWAYS was. There is never a time when Jesus wasn't alive.

Omega – this means that Jesus is the End. There will be no other god after Him; Jesus will go on forever! He has the final word.

Faithful Witness – Jesus was a good and perfect witness, telling us about His Father. His words describe perfectly and truly, the Father's heart, plans and nature.

Ruler of the Kings of the Earth – this is true now, though it hasn't been shown in our earth. When Jesus comes, what is true about Him as the ruler of all, will be seen by everybody.

Almighty – This is a Name given to God Himself and shows us that Jesus IS GOD! It also means that Jesus is ALL powerful. He has complete power. He is the MOST powerful.

3. Read aloud what the apostle John wrote about Jesus AND what Jesus said to John, His beloved, disciple in Revelation 1.
 - Tell a family member about what you have read
4. Remember to take time to worship the Lord in music, singing AND dancing; in prayer and journaling, every day.
