The Blessing

Prayers to Pray This Week

Remember that you can also always pray from your heart. You don't have to repeat the below prayers. They are just examples of praying, thanking God for the phrases in the Bible verse.

What other prayers do you want to pray after watching our Lesson 5 video?

1. Thanksgiving

- Jesus thank you that you are COMING for me!
- Thank you for your shout as you come
- Thank you for the voice of the archangel
- Thank you for the sound of your trumpet!!
- Thank you that I will meet you in the air!!
- Thank you that we will be together forever!!!

2. Intercession

- Lord would you help me to remember to read aloud the book of Revelation?
- Would you please help me to hear what you are saying?
- Please help me to keep the words, by obeying your words?

3. Receiving the blessing

- Lord Jesus, I receive the blessing from these end times verses.
- I receive the comfort and the hope of being pure like you.
- I receive the encouragement that comes with knowing I will meet you in the clouds one day.

Come, Lord Jesus!!!
