The Return of Jesus Course

Lesson 9 - For Every Generation

For today's activity: let's practice getting ready for Jesus to return.

1. Watch:

- Can you find where creation is still showing the Lord's beauty and draw or paint a picture of that beautiful place?
- Are people still being healed through prayer in His name? Write a testimony of someone you or your family knows.
- Is God still good and does He give you breath each day? **PRAY** and Thank Him for His goodness

2. Pray

- Ask the Lord for eyes to see what He is doing
- Pray repentance prayers whenever you disobey the Lord
- Pray forgiveness prayers whenever you are hurt by another person
- **Receive His light each day just like this, "Lord Jesus I receive your light**
- Pray, "Lord Jesus, thank you for the same love that the Father gives you! Would you show me more of that love? I receive your love."
