

Children of Prayer Bible School

Prayer Course Lesson 4 – Hearing God's Voice

Activity

For this week's activity;
we will *practice* hearing
God's voice.

1. Find a quiet place where you are not distracted. You can put on some worship music.
2. You can open your Bible to 1John 3:1
3. OR, you can simply say, like Samuel, "*Speak Lord, for your servant is listening.*"
4. OR you can ask the Lord a question...
5. Every now and again, you can say, "*Here I am, Lord. I am waiting for you to speak.*" So, make sure you wait a little.
6. You may hear an inner voice. You may feel something (God can speak right into our emotions or feelings – for example, we can feel loved.) You may see a picture in your mind or heart.

Whatever YOU see, feel, or hear, record it. Write it down or draw it.
Remember boys and girls that part of prayer is hearing God's voice!!
