## Prayer Course Lesson 3 – Why Pray?

### Activity

#### How to be a Friend of God

Here are some things you can do.  
They are all about prayer.

Parents of young children, help them to repeat these prayers after you. Assure them that the Lord who loves the sound of THEIR voice, WILL hear AND respond.

Older children, you can do this on your own:

- 1. Pray and ask the Lord to help you to remember to talk WITH Him each day. (Talking means time to speak to Him, but also time to listen to Him and wait for Him to speak to you.)**
- 2. Ask the Lord to be your friend.**
- 3. Ask for love for His word and for a desire to read it.**
- 4. Ask God to help you to LOVE prayer like Jesus does!**
- 5. Ask the Lord to help YOU to be *HIS* friend.**

You might want to also make or get a journal where you put all these 7 reasons that answer the question, "Why do we Pray? Having the reasons written down will help you remember them.
